Aryan Das

Web Developer Intern
Kolkata

Summary

Computer Science Engineering Student | Coder | Illustrator
Passionate about building something that would solve a problem in
our day to day life.
Learning more about Data Science and Machine Learning
Algorithms that would help me to do research work in this field.

Coding Languages I am expert at:

> C
> C++
> Java

Languages I will learn in the upcoming days:

> R
> Python
> JavaScript
> SQL
> MatLab

Would love to connect with Learning Enthusiasts in the field of Data
Science and work with them.
